Economical Protection for  
Life, Property and Privacy!

**IT'S HERE...**

*a budget minded  
substitute for  
expensive iron or  
steel perimeter  
security systems*

**LIFEGUARD**

**4 Popular Styles!**

The ideal, maintenance-free way to lower the cost of guarding your pool, home or any private or public area! And, "Lifeguard" Aluminum Ornamental Fencing meets BOCA Pool Codes, is available in standard white or black to compliment any exterior architecture or landscape design; plus, **CUSTOM COLORS** to suit special situations.

*Need welded, custom-made gates?*

**YOU'VE GOT'EM WITH**

**FROM**

# Four **LIFEGUARD** styles to help protect your life, property and privacy!

“Pool Perfect!” The traditional “look” with a safe top rail and finial\* topped pickets below.

A modern pool style presenting a squared-off top rail and no spiked or finial topped pickets.

Finial\* topped pickets evenly tiered in an alternating high/low position. Offers a more formal appearance and greatest worry-free performance.

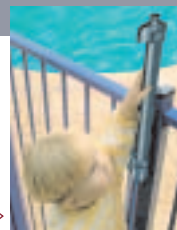

Spiked\* (optional) pickets evenly tiered at the same position. Affords good security and a strong “keep out” look.

\*Finial or spike topped pickets available on all styles.

Look to **LIFEGUARD** as your “best buy” for budget-conscious aluminum ornamental fences. Designed to meet BOCA Pool codes and utilizing marine grade fasteners with rust-free gate hardware, they’re the lower-cost way to outstanding perimeter security combined with rugged good looks, popular styles, maintenance-free materials and easy installation. All available in standard white or black and in custom colors, too. Welded, custom gates can be supplied... **and all gates feature “MAGNA• LATCH” magnetic safety gate latches.** ▷

**Naturally, they’re from...**

**Authorized Distributor**
