# Railing

We carry a variety of styles for a lifetime of low maintenance durability so that you can choose the railing that suits you best! Customize your railing with our accessory choices to really make it your own.

In this section you will find information about all of our railing systems including:

**Vinyl Palisade and T-Rail**

**Vinyl with Mahogany Top Rail**

**Balustrade Systems**

**Aluminum Solutions Railing**

**ADA Secondary Hand Rail**

All of our railings include a full line of accessories to complement your system.

## Now you can make your porch, walk or deck railing beautiful, safe and last a lifetime!

Here's the boxed railing you've been looking for...beautiful, easily installed, long lasting and easily maintained. Our Palisade collection comes in 3 styles with a variety of posts, caps, mounting and other accessory options as well as your choice of white, khaki or sandstone. Also available with secondary handrail to satisfy ADA or "stand alone" requirements.

### Features:

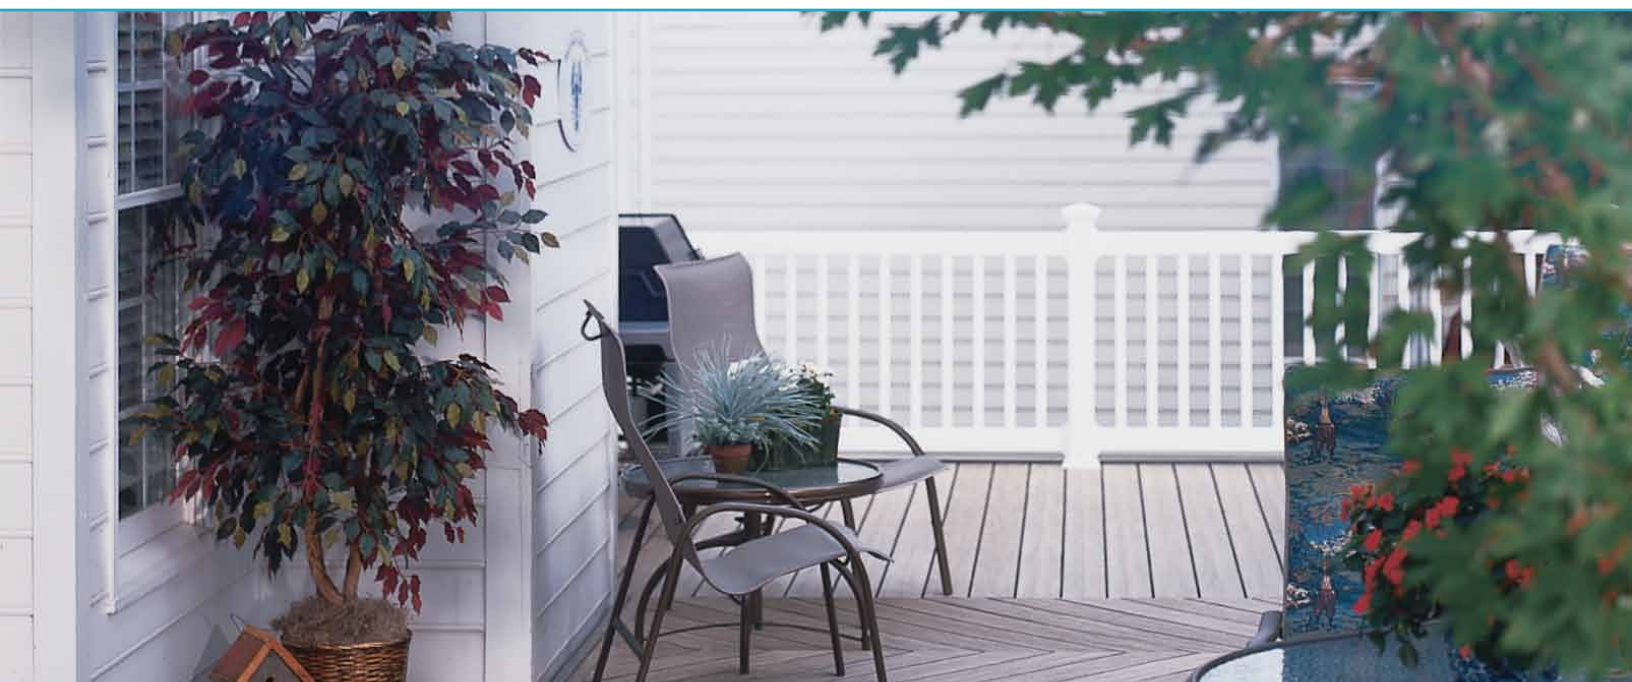

- Long lasting vinyl with exceptional strength and appearance
- Easily maintained vinyl with a limited lifetime warranty
- Aluminum reinforced top and bottom rails to ensure building code compliance
- Available in 6', 8' and 10' sections with heights of 36" or 42"
- Meets BOCA, ICC-ES and AC-174 structural performance testing

Victorian Rail

Traditional Rail

Colonial Rail

## Palisade

## Mahogany

## Turn ordinary homes into extraordinary show places!

Top rail is real mahogany wood and finishing/sealing is required. We recommend Minwax Jel Stain with Clear Shield top coat sealer or similar exterior use products.

### Features:

- Limited lifetime warranty on all vinyl products
- Quick and easy installation
- 36" and 42" heights available
- Maintenance-free vinyl
- Aluminum reinforced bottom rail
- Building code compliant
- Available in Victorian, Colonial and Traditional baluster designs
- Mahogany top rail is secured with stainless steel brackets for fast and easy installation

## A simple solution to meet the required state and local building codes.

Designed to satisfy ADA handrail requirements or to “stand alone,” this new product has the same integrity in fabrication and good looks as all the other 100% vinyl products in the line. Components are available for any type of installation. Easy to follow instructions are included with each length of railing.

### Features:

- Brackets are made of die cast aluminum and powder coat painted
- 316 stainless steel screws ensure a strong, weather resistant installation
- Aluminum reinforced and available in black or white

## T-Rail

## ADA Secondary Hand Rail

## Turn ordinary homes into extraordinary show places!

With 3 colors and styles to choose from our Vinyl T-rail ensures safety and functionality to compliment any home decor.

### Features:

- Long lasting vinyl with exceptional strength and appearance
- Easily maintained vinyl with a limited lifetime warranty
- Aluminum reinforced top and bottom rails to ensure building code compliance
- Available in 6', 8' and 10' sections with choice of white, sandstone or khaki
- Meets BOCA, ICC-ES and AC-174 structural performance testing

# A safe, rugged, beautiful and affordable architectural accent for every home everywhere!

This stylish, sculpted aluminum railing system offers elegance with strength for both residential and commercial applications.

## Features:

- Tough powder coated finish available in white, black or bronze
- Box kits in 4', 6' and 8' lengths and 36" and 42" heights
- 15 year warranty
- Full line of components for a quick and easy installation
- Many baluster styles including tempered glass are available

# Aluminum Solutions

# Pergolas

Webster's defines it as "Pergola: *n* Posts supporting an open trellis-like roof"

A pergola adds a certain level of charm to the area around it. We've created some complete kits that allow for free-standing units or to-the-house installations or we can create a custom pergola just for you.

## Ready-to-go

Our kits make a beautiful and easy to install pergola for almost any space. Optional classic dress and shade cover kits are available.

### Sizes:

8 x 8	12 x 12
8 x 12	12 x 16
8 x 16	12 x 24
8 x 24
