SECONDARY HANDRAIL

WORKS FOR ALL RAIL SYSTEMS

Designed to satisfy ADA handrail requirements or to "stand alone", this new product has the same integrity in fabrication and good looks as all the other 100% vinyl products in the line. Available in 1 1/2" handrail, there are 4 different radius elbows, several styles of returns and more.

1 1/2" railing systems are available in white.

Easy to follow instructions are included with each length of railing.

Components are available for any type of installation.
