Solutions

HIGH STYLE, MODESTLY PRICED ALUMINUM RAIL SYSTEM
Solutions aluminum railing systems are perfect for home construction or commercial applications. Designed with a unique sculpted top rail and softened radial corners, Solutions pairs the beauty and stylish look of traditional wood designs with the durable **low maintenance properties of metal.**

Custom Colors

Does your project require a unique finish or bolder color than our popular and standard offering of Black, White or Bronze? Solutions Aluminum Rail offers a special order Custom Color Program that features 19 Custom Color options produced to the same AAMA-2604 powder coat specification that carries our 15 Warranty. The most sought after railing colors and textures were referenced when selecting our featured Custom Color Pallet in order to offer the most popular options from each color group. Each Custom Color request is produced as a special order batch run at the time of order. Special order batch runs require a minimum order size of \$15,000 List Price, based on stock color pricing, and carry an approximate 21 day lead time on shipments from our factory. Contact your Solutions sales representative to obtain specific pricing for your project or to see if your project qualifies for additional custom color matching.

*All confirmed custom color orders are final, non-refundable and non-returnable. • Visual Representations May Vary From Actual Colors
